UPDATE FROM THE JUNIOR COORDINATOR

Hello KCC parents! In what seems like the coldest and wettest winter we've ever had, it's probably a good time to close the eyes and start visualising the summer heat of season 2021/22 which believe it or not is only 8 weeks away! That's right 8 weeks until the first toss of the coin to see who's going to bat first!

As the start of the season is quickly sneaking upon us, if you haven't registered already, please register now by going to playcricket.com.au or by clicking [here](#).

The Club is always in need of more players. If you enjoyed what KCC had to offer last year, please get around your friends and the other parents at school and let them know that we would love to see them at KCC this summer. On a special note, the older age groups 14's, 15's and 17's are traditionally the age groups where we see numbers thin out, so if you know someone that enjoys cricket, we would love it if you could ask them.... "Have you thought about playing cricket this year?"

Please check out all the information regarding registrations on the next page.

From a cricket perspective, this season will be bigger than ever! We will have the additional astro wicket for a full season this year, with Friday nights hosting three games at once, and many invitational night T20's on a Saturday night throughout the season. Over the past few years the Club has grown at a rate of knots and this year will see that trend continue. From a senior perspective, we will grow to 5 teams for the first time in the club's history. The senior player involvement will increase again this year as we buddy up an A-grade or senior player with each junior side for the duration of the season. Also, in addition to our coaching staff, we have been fortunate enough to secure the services of a specialist junior coach, who will be available to assist coaches and provide additional one on one sessions with kids who would like extra help.

With all the growth, comes a need for more volunteers. If you would like to volunteer in any capacity, coach, team manager, junior committee member etc, we have many people who can train you in what ever role you would like to take on. The support is there, all we need is YOU! If you do want to be part of this summer of cricket please send me an email at kcc.juniorcoordinator@gmail.com and I'll be in touch with you asap.

I don't know about you, but I've had enough of this wet weather and just can't wait for the start of this summer of cricket. I really do look forward to seeing you all again very soon!

Thanks guys !!
Michael Trvcich

HELP NEEDED

As always, as we get bigger and better the need for additional volunteers becomes critical. If you would like to be part of the direction the Junior program at KCC this year, please get in contact with our Junior Coordinator Michael Travcich on MB:0423 085 886 or at kcc.juniorcoordinator@gmail.com.

The list of roles below is what the club needs in order to run a successful juniors program. Some of these positions may already be filled, but if you are interested in learning one or more of the below roles, it's important that we continue to train people to ensure the junior program at KCC thrives for many years. If you want to get involved, it's a fantastic club to be a part of, please get in touch.
